Bridge Big now offering money tournaments online

Yesterday was a big day for Dutch start-up Bridge Big. After a year of hard work, they've launched their new website to play online duplicate bridge for serious money prizes. They offer short individual tournaments with guaranteed prize pools starting at €200, as well as a free tournament running 24/7 with daily money prizes.

To celebrate their launch, Bridge Big is holding a special inaugural tournament on Saturday the 25th at 9 p.m., Lille time. The tournament will be for 92 players (first come, first served) and have a buy-in of €11.50 per player. To celebrate the occasion, Bridge Big is going to double the tournament's prize pool to more than €1,800 (1st place €475), unheard of in online bridge.

Visit bridgebig.com for more information or contact the founders at info@bridgebig.com.
