BBO CLUB SUPPORT GAMES FAQ

Black Point Online Games on Bridge Base Online

ACBL has partnered with Bridge Base Online (BBO) (https://www.bridgebase.com/) and The Common
Game to give you chances each day to earn black masterpoints online. Additionally, the majority of the
game fees you pay will be given to your local club to support them during this difficult time.

Support Your Club ACBL Black Point Games are pair events. Games are held on BBO three times a day – 10 a.m., 5:10 p.m., 7:30 p.m. Eastern time.

Registration opens two hours before game time. You can play with any other ACBL member who has a BBO account.

NEW! Daylong Tournaments are solo events played with robots. In this game, you have up to 24 hours to complete your game, and it doesn't have to be played all at once. You can even pause in the middle of a hand.

Play a few of the 18 total boards in the morning, some more after lunch and the rest in the evening. Or play them all in one sitting! Register anytime, and you'll have until midnight Eastern time to finish the boards. There is no limit to how many players can play in the daylong tournaments.

Both events use matchpoint scoring, and masterpoints earned in these games will count towards annual races.

Please note this is a temporary solution to what will hopefully be a temporary problem.

Club Support Games FAQ

How much does it cost?

Pair games are BB$5 (Bridge Base bucks) per player and Daylongs are BB$6 per player.

How do I pay?

You must first purchase BB$ (with credit card or PayPal) from BBO, and then when you register, the money will be deducted from your BBO account. Check out BBO's instructions online:https://www.bridgebase.com/purchase/pay.php (https://www.bridgebase.com/purchase/pay.php)

What is the difference between BB$ and regular money?

BB$ is the payment method on Bridge Base Online. BB$1 (one dollar in Bridge Base bucks) is the equivalent of US$1 (one U.S. dollar).

How much of my entry fee is going to the clubs? How will the funds be distributed?

Out of every $5 or $6 entry that is purchased, $4 will be distributed to the clubs.
The $4 per club will be sent to the ACBL, and we will run reporting on the players that have played in these

specially formatted games to see what clubs they have played in over the past 12 months. Based on those reports, we will distribute the funds accordingly. If you had played 75% of the time in Club A and 25% of the time in Club B, then each time you play, Club A will get $3 and Club B will get $1. For players with no club history, we will be working on a plan for this as well, but the final details are not yet available.

How do I find the game on BBO?

Log into BBO and click on ACBL World. Search for Support Your Club ACBL Black Points Game or Support Your Club ACBL Daylong. Please see BBO's online guide (https://blog.bridgebase.com/2020/03/18/how-to-log-in-to-bridge-base-online-and-play-acbls-support-your-club-game/) for specific instructions on locating the specially designated game.

When can I register for pair events? When can I play?

Registration for the events start two hours before they begin. For example, 3:10pm Eastern time is when registration will open for the 5:10pm Eastern event.
Currently there are three games a day at 10am, 5:10pm and 7:30pm Eastern.

What are the daylongs? How do I register? When can I play?

Register any time after midnight Eastern. You have up to 24 hours to complete your game, and it doesn't have to be played all at once. You can even pause in the middle of a hand.
Play a few of the 18 total boards in the morning, some more after lunch and the rest in the evening. Or play them all in one sitting! Register anytime, and you'll have until midnight Eastern time to finish the boards.

Sometimes BBO experiences network errors, this guide (https://blog.bridgebase.com/2020/03/25/new-acbl-syc-black-point-daylong-tournament/) will explain what to do if you experience any issues.

This guide (https://doc.bridgebase.com/Help/About_ACBLSYC_Daylong.html) explains the different formats available for daylong games.

How do I get credited with my masterpoints from these online games?

You need to make sure that your ACBL number is on file with BBO. Go to "ACBL World" and then click on "Update your ACBL Number". As long as your ACBL number is there, you will be credited with all of the masterpoints you earn on BBO. If your number is not on file, you'll be able to add it from that screen.

Can I request that my funds go to a specific club?

You may not direct the payment of your entry fee to a specific club at this time. This is a complex task to begin with and trying to accommodate requests like this would add a level of complexity that is simply not practical.

Are the games stratified? Will there be multiple sections?

Yes, BBO's software automatically creates multiple sections and divides the players into three strats (A, B & C). The strats will automatically adjusted based upon the players in the field – the top 1/3 will be A, the next 1/3 will be B and the bottom 1/3 will be C.

I am a club manager. What do I need to do to register my club?

You do not need to do anything other than encourage your players to play in this game should you choose to do so.

How many masterpoints® can I win?

For the Pair games, the awards are the same as an open club game and there will be overall awards as well as section awards. The maximum you can win in any single game is 4.00 masterpoints. For the Daylong, the maximum is 2.50.

Will these masterpoints count towards the Ace of Clubs and McKenney races?

Yes!! Normally masterpoints won online do not count for either of these races but, in these "unusual" times, we are making an exception.

How do I play with robots?

Find helpful tips on playing with the BBO 'bots here (https://nabc.acbl.org/nabcrobot/#robots)

SUPPORTA IL SUCCESSO DEL GIOCO DEL CLUB (https://web2.acbl.org/documentLibrary/play/Suppor

DOMANDE FREQUENTI SUI GIOCHI DI SUPPORTO DEL BBO CLUB

Giochi online di Black Point online su Bridge Base

ACBL ha stretto una collaborazione con Bridge Base Online (BBO) (https://www.bridgebase.com/) e The Common Game per darti ogni giorno la possibilità di guadagnare punti neri neri online. Inoltre, la maggior parte delle tasse di gioco che pagherai sarà assegnata al tuo club locale per sostenerle in questo

momento difficile.

Sostieni il tuo club I giochi Black Point ACBL sono eventi in coppia . Le partite si svolgono su BBO tre volte al giorno: 10: 00-17: 10, 19:30, ora orientale.

La registrazione si apre due ore prima dell'orario di gioco. Puoi giocare con qualsiasi altro membro ACBL che abbia un account BBO.

NUOVO! I tornei diurni sono eventi da solista giocati con robot . In questo gioco, hai a disposizione fino a 24 ore per completare il gioco e non è necessario giocarlo tutte in una volta. Puoi anche mettere in pausa nel mezzo di una mano.

Gioca alcune delle 18 tavole totali al mattino, altre dopo pranzo e il resto la sera. O suonali tutti in una sola seduta! Registrati in qualsiasi momento e avrai fino a mezzanotte ora orientale per finire le schede. Non c'è limite al numero di giocatori che possono giocare nei tornei di un giorno.

Entrambi gli eventi utilizzano il punteggio del matchpoint e i punti master guadagnati in questi giochi verranno conteggiati per le gare annuali.

Si prega di notare che questa è una soluzione temporanea a quello che si spera sarà un problema temporaneo.

Domande frequenti sui giochi di supporto per club

Quanto costa?

Le partite in coppia sono $ 5 BB (dollari di Base Bridge) per giocatore e Daylong sono $ 6 BB per giocatore.

Come pago?

Devi prima acquistare BB $ (con carta di credito o PayPal) da BBO, quindi quando ti registri, il denaro verrà detratto dal tuo conto BBO. Consulta le istruzioni di BBO online: https://www.bridgebase.com/purchase/pay.php (https://www.bridgebase.com/purchase/pay.php)

Qual è la differenza tra BB $ e denaro normale?

BB $ è il metodo di pagamento su Bridge Base Online. BB $ 1 (un dollaro in dollari Bridge Base) è l'equivalente di US $ 1 (un dollaro USA).

Quanto della mia quota di iscrizione va ai club? Come saranno distribuiti i fondi?

Su ogni iscrizione da $ 5 o $ 6 acquistata, $ 4 verranno distribuiti ai club.
I $ 4 per club verranno inviati all'ACBL e eseguiremo rapporti sui giocatori che hanno giocato in questi giochi appositamente formattati per vedere in quali club hanno giocato negli ultimi 12 mesi. Sulla base di tali rapporti, distribuiremo i fondi di conseguenza. Se hai giocato il 75% delle volte nel Club A e il 25% delle volte nel Club B, ogni volta che giochi, il Club A riceverà $ 3 e il Club B ne riceverà $ 1. Per i giocatori senza storia del club, lavoreremo anche su un piano per questo, ma i dettagli finali non sono ancora disponibili.

Come trovo il gioco su BBO?

Accedi a BBO e fai clic su ACBL World. Cerca Support Your Club ACBL Black Points Game o Support Your Club ACBL Daylong. Consulta la guida online di BBO (https://blog.bridgebase.com/2020/03/18/how-to-log-in-to-bridge-base-online-and-play-acbls-support-your-club-game/) per istruzioni specifiche su come individuare il gioco appositamente designato.

Quando posso registrarmi per gli eventi di coppia? Quando posso giocare?

La registrazione per gli eventi inizia due ore prima dell'inizio. Ad esempio, alle 15:10 l'ora orientale è quando si apriranno le registrazioni per l'evento orientale alle 17:10.
Attualmente ci sono tre partite al giorno alle 10, alle 17:10 e alle 19:30 a est.

Quali sono le lunghe giornate? Come mi registro? Quando posso giocare?

Registrati in qualsiasi momento dopo mezzanotte orientale. Hai fino a 24 ore per completare il tuo gioco e non è necessario giocarle tutte in una volta. Puoi anche mettere in pausa nel mezzo di una mano.
Gioca alcune delle 18 tavole totali al mattino, altre dopo pranzo e il resto la sera. O suonali tutti in una sola seduta! Registrati in qualsiasi momento e avrai fino a mezzanotte ora orientale per finire le schede.

A volte BBO presenta errori di rete, questa guida (https://blog.bridgebase.com/2020/03/25/new-acbl-syc-black-point-daylong-tournament/) spiega cosa fare in caso di problemi.

Questa guida (https://doc.bridgebase.com/Help/About_ACBLSYC_Daylong.html) spiega i diversi formati disponibili per i giochi diurni.

Come posso ottenere l'accreditamento dei miei punti di forza da questi giochi online?

Devi assicurarti che il tuo numero ACBL sia archiviato con BBO. Vai su "ACBL World" e quindi fai clic su "Aggiorna il tuo numero ACBL". Finché il tuo numero ACBL è presente, ti verranno accreditati tutti i punti master che guadagni su BBO. Se il tuo numero non è in archivio, potrai aggiungerlo da quella schermata.

Posso richiedere che i miei fondi vadano in un club specifico?

Al momento non è possibile indirizzare il pagamento della quota di iscrizione a un club specifico. Questo è un compito complesso per cominciare e cercare di soddisfare richieste come questa aggiungerebbe un livello di complessità semplicemente non pratico.

I giochi sono stratificati? Ci saranno più sezioni?

Sì, il software BBO crea automaticamente più sezioni e divide i giocatori in tre strati (A, B e C). Gli strat verranno regolati automaticamente in base ai giocatori sul campo - il primo 1/3 sarà A, il prossimo 1/3 sarà B e il 1/3 inferiore sarà C.

Sono un manager di club. Cosa devo fare per registrare il mio club?

Non devi fare altro che incoraggiare i tuoi giocatori a giocare in questo gioco se decidi di farlo.

Quanti masterpoints® posso vincere?

Per i giochi di coppia, i premi sono gli stessi di un gioco open club e ci saranno premi generali e premi sezione. Il massimo che puoi vincere in ogni singolo gioco è di 4,00 punti master. Per il Daylong, il massimo è 2,50.

Questi punti cardine valgono per le gare di Ace of Clubs e McKenney?

Sì!! Normalmente i masterpoint vinti online non contano per nessuna di queste gare ma, in questi tempi "insoliti", stiamo facendo un'eccezione.

Come gioco con i robot?
