Number of teams: 52

Number of players: 312

Schapiro Spring Foursomes This Weekend

April 27, 2021

For members booked to play in the [Schapiro Spring Foursomes](#) this weekend, you will have been sent an email with details about joining the event.

You will find the [programme and other information on the event results page](#) along with the links for the sessions as they become available. After the sessions are complete you will also find results there.

Play will start at 3.15pm on Friday. From Saturday, the morning sessions will start at 10.30am, with afternoon sessions starting at 3.15pm.

Please note that you are required to have video and audio, and you must use them unless technical issues prevent it.

This event uses self-alerting with screens as detailed in the programme, with typed explanations sent to both opponents by the player making the call. Requests for further information also go as typed messages to the player making the call.

You must provide a link to your system card to your opponents each round. If you do not already have one, please complete and email your Convention Card in the correct format EBU card for EBU Congresses or WBF cards (both are allowed in this event) to EBUConventionCards@gmail.com. We will send you a link to a pdf version which you can then provide at the table for your opponents. **System cards must be emailed by 5pm Wednesday 28th April to be used in this event.**

Undos are only allowed in the auction for mis-clicks, or for cases of misinformation. You should always first call the TD when an undo is requested (you may need to refuse the undo request first in order to access the TD button).

When you log on to play, please enter your name as found on your EBU record, in proper case (eg John Smith, not JOHN SMITH, john smith or John S), along with your EBU number without leading zeros (105719 not 00105719).
